Board of

Mr. Bettinger
Superintendent

Mr. Stokesbary
Assistant Superintendent

Elected by the people and therefore interested primarily in the good of the community, the Board of Education acts as the policy forming department of all the Alhambra schools and is the official governing body of all organizations working for the schools. It is made up of five members and an appointive secretary who meet every first and third Monday of each month. At these meetings they authorize the expenditure of funds necessary to run the Alhambra schools, approve legislation, and formulate policies.

Included in their achievements for the past year have been the election of more than 500 employees for elementary and high schools, the approval and recommendation of changes in courses of study, the liberalizing of home teaching service for physically handicapped pupils, and the expansion of the audio-visual program through increased personnel and equipment. Showing their interest in the students as future citizens, the Board approved the initiation of a new vocational counseling and guidance course for high school graduates. After a careful study of future expansion needs, the Board has gone on record favoring a new high school in San Gabriel.

Mrs. Mary R. Cornelius serves as President of the Board, Mr. Willard H. Clarke as Vice-President, and Mr. George L. Yelland as Secretary. Other members include Dr. Samuel J. Broadwell, Mr. Irving J. Hancock, Dr. Milford R. Lehman, Mr. Bettinger, and Mr. Stokesbary.

Mr. Bruce M. Lawson, Principal

Gas lights, horseless carriages, and little red school houses have given way to fluorescent lighting, streamlined automobiles and modern school facilities; but people are still people, and the fundamental qualities of life remain, although in new dresses.

Mark Keppel has been created since the gas light era and is a comparatively new institution. It is our hope to retain the worthwhile heritages of the past which include integrity, industry, and good sportsmanship. To these we would add the enriching experiences of democratic procedure and the enjoyment of the best things which the new age is able to offer.

The Cat And

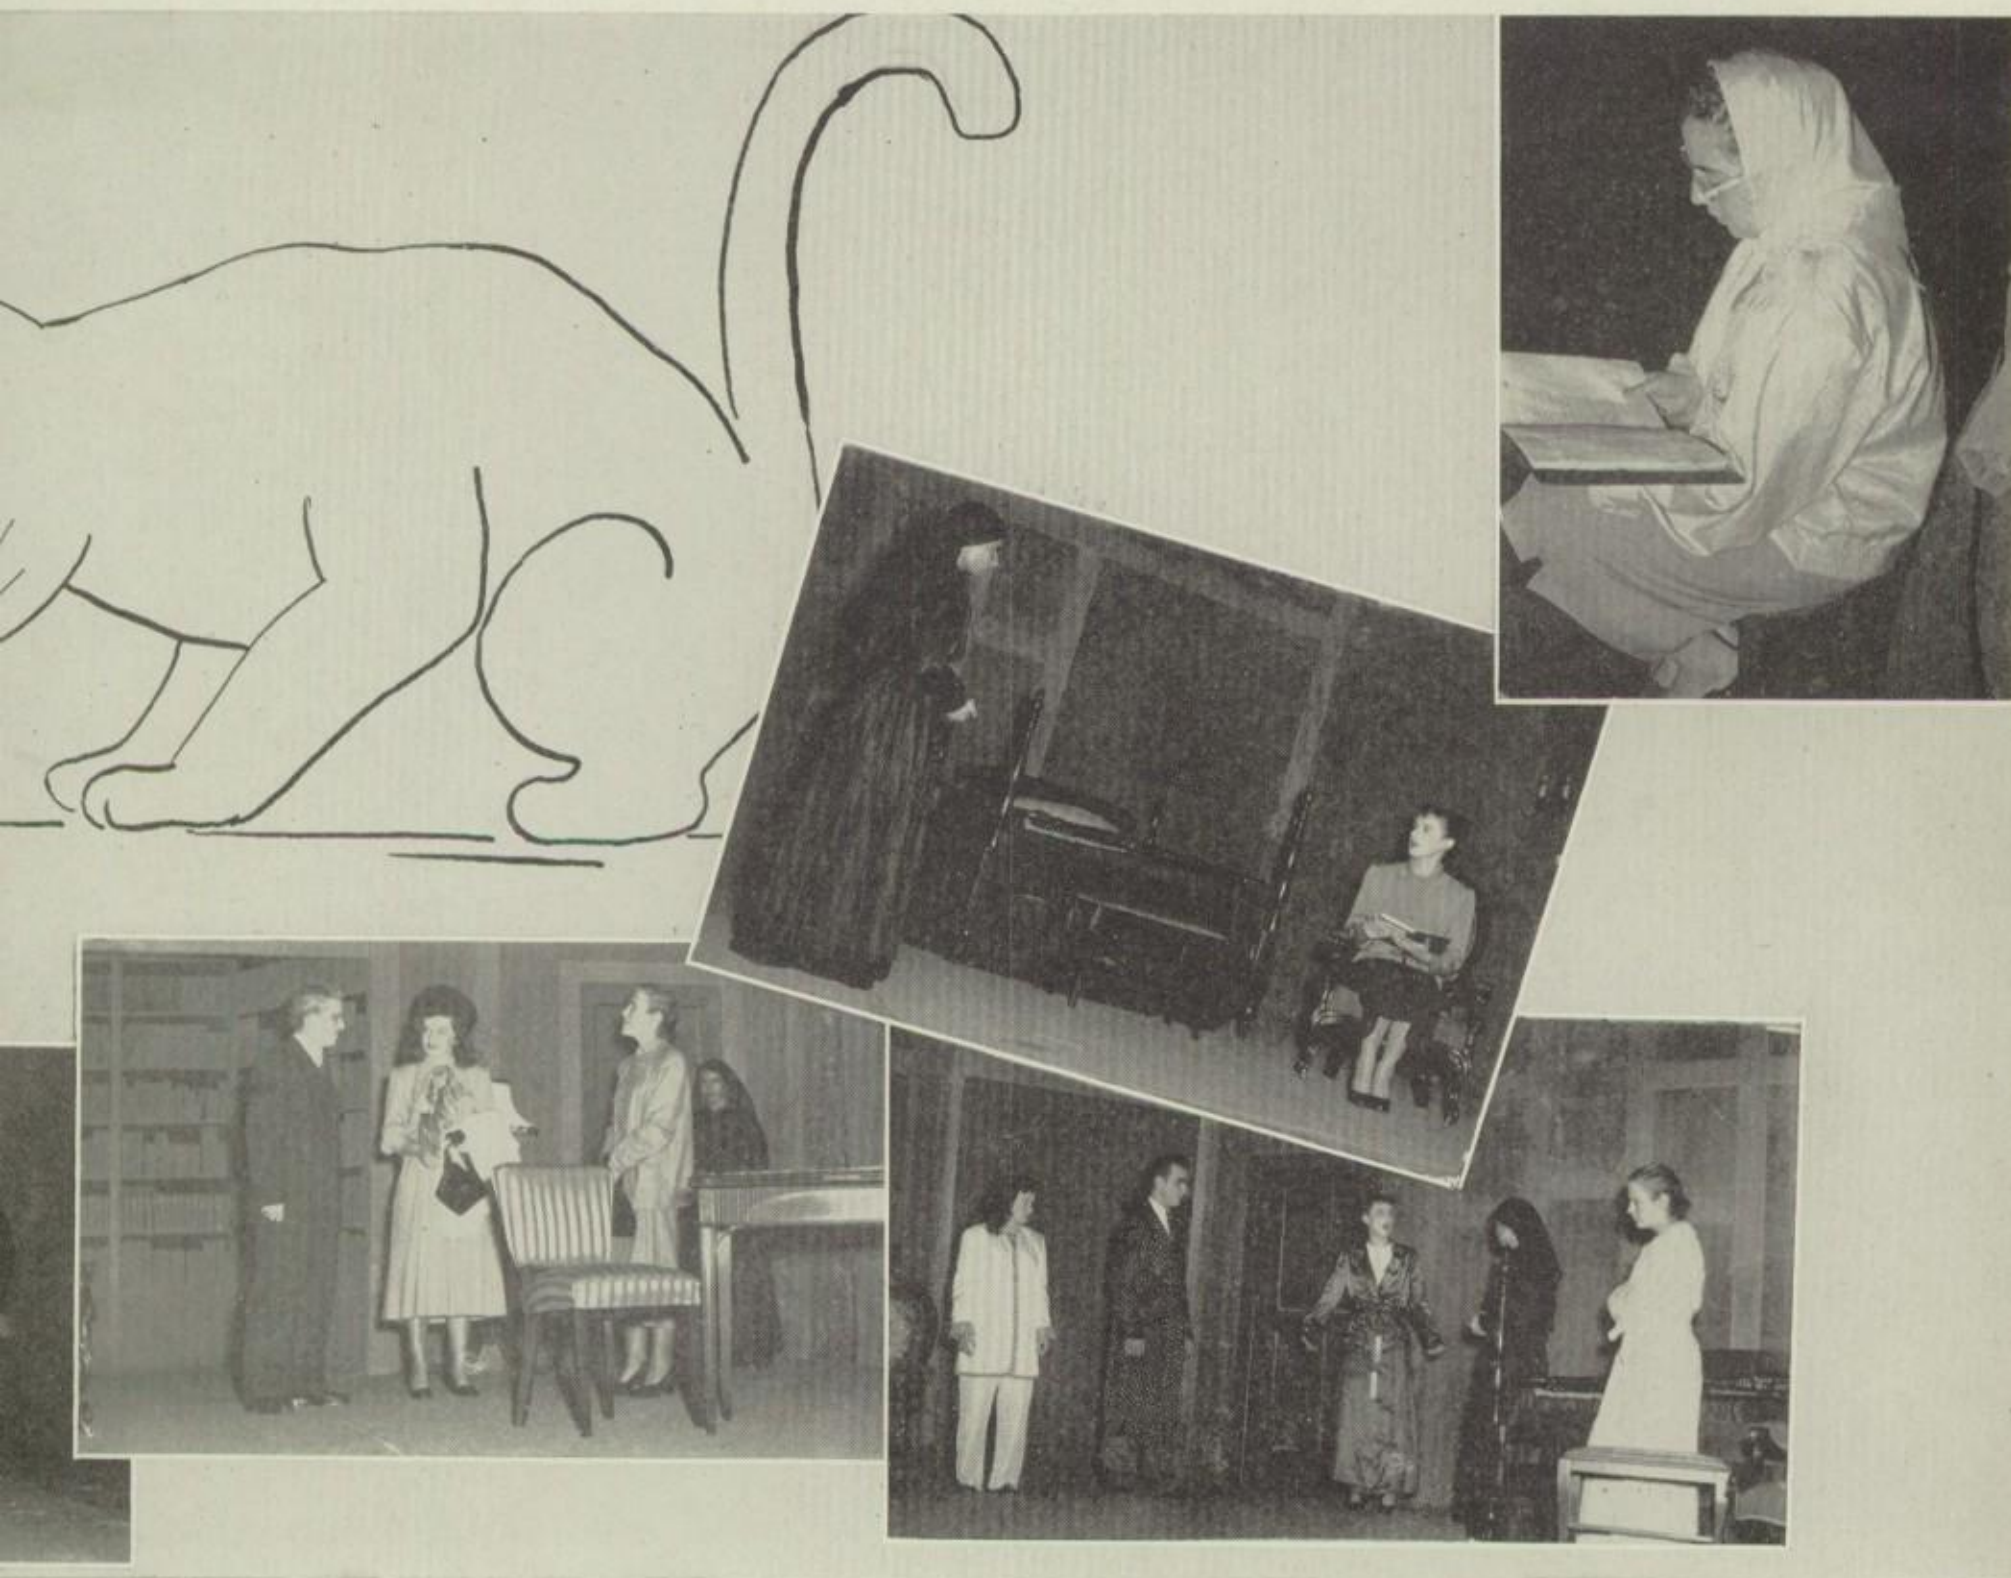

Annabelle West and Paul Jones take a moment for love.

The Cat appears.

Annabelle and Paul have a friendly chat.

CAST: Mammy Pleasant, Florence Milner; Roger Crosby, Ralph Wells; Harry Blythe, Glenn Woolverton; Cicily Young, Delores Orrin; Susan Sillsby, Des Kalafatis; Charlie Wilder, Frank Hanna; Paul Jones, George Merson; Annabelle West, Ruth Stevens; Hendricks, Bob Carter; Patterson, Jack Chandler.

The Canary

The guests arrive.

Suspense!

"But I wasn't imagining it." Goe, the work of the student director is hard!

"The Cat and the Canary" produced by the Senior Winter Class was a murder mystery complete with vanishing people, secret passages, a lost necklace, a lunatic, corpses and monsters.

The plot of "The Cat and the Canary" concerns opening a will at midnight on the twentieth anniversary of the death of Glencliff Manor's master. The will provides that, in the event the heir named in the first will is proven to be insane, a second will should be opened. When the heiress, Annabelle West, is named, she discovers in the second will clues leading to the hiding place of a valuable diamond necklace. After that things begin to happen. The necklace is lost, people vanish, mysterious corpses appear, secret passages are found, and all the characters are under suspicion.

Even though all these tragedies occur, the play ends happily with Annabelle West and Paul Jones falling in love.

CAST: Office Boy, David Martin; Mrs. Martyn, Shirley Sutton; Mr. Wheeler, Bob Carter; Mrs. Wheeler, Dixie Dixon; Bobby Wheeler, Mark Taylor; Cora Wheeler, Ida Stewart; Violet Pinney, Shirley Murphy; Clarence, Herbert Ostling; Della, Lynne Bowers; Rosie, Elizabeth Iffert; Dinwiddie, Dennis Weaver; Hubert Stem, Ken Parker.

Clarence, played by Herbert Ostling, has no medals, no shoulder bars, no great accomplishments. He is one of the "seven million" who served where he was sent—though it was no further than Texas. As an entomologist he found, on this side of the ocean, no field for his specialty in the Great War, so they set him to driving mules. Now, reduced to civil life, and seeking a job, he finds a position in the home of one Wheeler, a wealthy Englewood man with a family. Because he had "been in the army," he becomes guide, philosopher, and friend to the members of that agitated and distracting family group. Clarence's position is that of a "jack of all trades." He mends the bathroom plumbing; he tunes the piano; he types, off stage; he plays the saxophone. Around him revolves such a group of characters as only Booth Tarkington could offer. It is a real American comedy.

A large collage of black and white photographs from a 1940s yearbook, depicting various student activities, social gatherings, and individual portraits. The photos are arranged in a dense, overlapping grid. A green 'Post' watermark is visible in the lower right quadrant. The images show students in various settings: some are posing in groups outdoors, others are sitting on a car, some are dancing or playing sports, and many are in social settings like parties or gatherings. The collage captures a wide range of student life during that era.

The Mark Keppel coaching staff led by Bob Pursell, head of the physical education department, did a very commendable job of leading our various Aztec athletic aggregations. Coach Pursell directed his varsity baseball squad through a very successful season, his horsehiders giving all their opponents a battle. The varsity football team under Coach John Seixas also had a victorious season and finished in second place in the league after only two losses in league play. Mr. Seixas also coached Bee and Cee basketball and Bee track. Howard Hunt's Varsity thinclads, as usual, were in the thick of the battle for the loop crown. Keppel's Bee hoopsters led by Coach Ed Austin finished in second place after beating Alhambra twice. Blynn Wilson coached the Bee football squad through a very successful season and also the Varsity cagers who finished the season in fifth place. The Varsity and J.V. tennis teams were very ably handled by Mr. Horne.

In September and October, when the banners of a hundred odd high schools fly, everyone looks forward to another successful football season. As season follows season and great players come and go, everyone will remember and hold in his heart the excitement, the color, and the heartbreaks of the Aztecs' 1948 football season.

After a couple of pre-season scrimmage wins over Montebello, 42-6, and Chaffey, 18-6, Mark Keppel officially opened its 1948 season with a hard-fought loss to South Pasadena, 6-0. The Aztec warriors battled the Glendale Nitros to a 42-0 win, proving themselves a threat to any Pacific League team.

Bringing up the curtain on the first league game of the year, the Redmen proceeded to beat Long Beach Wilson by a 9-7 score. From there they went on to trounce Excelsior's Pilots, 19-7. Then came the thriller, eclipsing the score rung up in the Glendale game. By defeating the Whittier outfit, 47-0, the Aztecs scored more points in one game than any other team in the history of the school.

Tying the game in the last forty seconds of play, the Long Beach Poly Jackrabbits put a blotch on the spotless record of the Keppelites in a 13-13 game. El Monte fell 21-6 before a first-half onslaught of Keppel touchdowns.

Playing in Pasadena's famed Rose Bowl before 23,000 spectators, a record crowd for high school games, Mark Keppel came to grips with Alhambra's Golden Avalanche. In a close game, the Moors won, 7-0, getting their lone tally in the last of the fourth quarter.

Our star-studded Aztec eleven went on to place four men on the Pacific League first team and one on the second team. Carl Forrest, Bing Bordier, who was selected unanimous C. I. F. end, Bob Stuart, and Herman Esswein made the first team. Werner Escher was a choice for second team honors, and Jim Brown, Don McClain, Manuel Durban, and Gene Ballock were given honorable mention.

J. V. Football

With the end of another football season the spotlight swings from the varsity squad and its games to a very brief glimpse of the team that provides the players that make up the varsity crew. During the season the full attention of the student body is focused on the varsity games and little is thought of the hard-working and important reserve squad, the fourth and fifth varsity strings. Without the reserve club to give the needed experience to the players that will return the next year to make up the varsity squad, there would be no players with enough experience and ability to account for championship teams.

With so many good backs playing on the varsity there were only a few to help fill the roll on the reserve squad.

The reserve squad played only one regulation game in the 1948 season in which they defeated the Montebello Oilers, 13-6. The remainder of the season was devoted to fundamentals and three scrimmages. In the scrimmages the Aztecs took on the reserve squads of Long Beach Poly, Excelsior, and El Monte, all on Montezuma Field.

A number of outstanding players were developed that will see action in the future seasons. Dick Loy started the season on the reserves and was so effective in the Montebello tilt that he was moved to the varsity eleven where he saw much action.

Nilo Fannuchi, B9, was outstanding in playing as a running guard, defensive halfback, offensive fullback, and as the point after touchdown kicker. Mainstays on the line were Tommy Kellogg, Walt McPherson, and Phil Lucas.

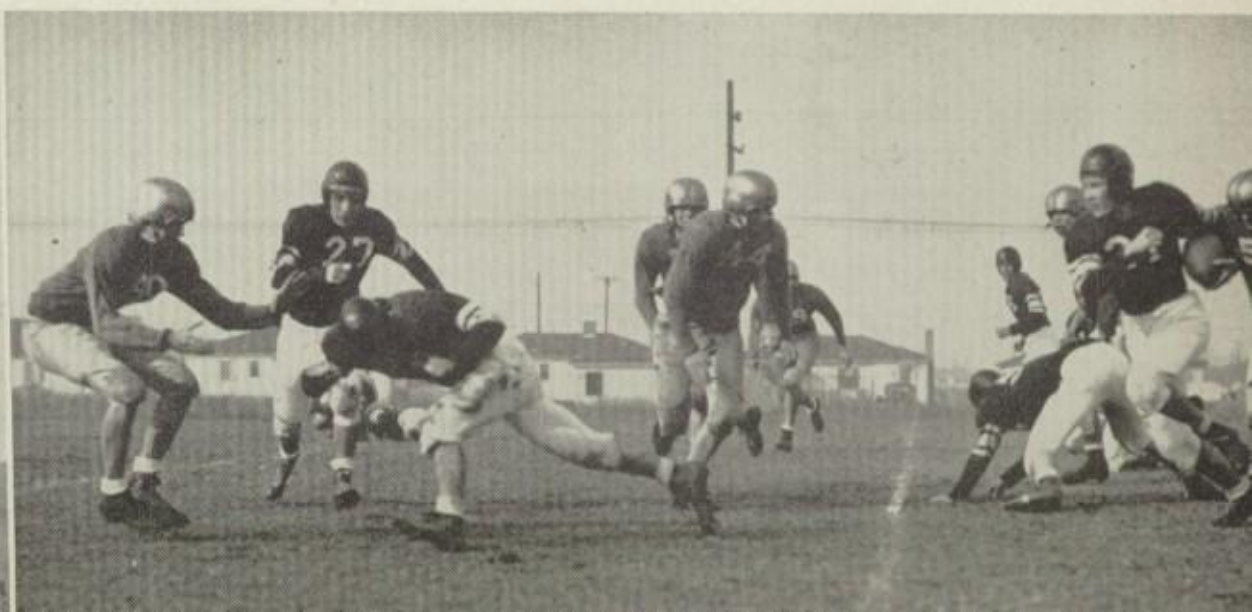

ROW 1: Glassbrook, Tallman, Jones, Vurpillat, DeMascio, Buccola, Hickman, Sanderson, Deyling, Cambianica, Meyers, Goodrich.
 ROW 2: Brown, Bench, Reynoso, Porter, Ivicoli, Hillis, Ryerson, Burgoyne, D. Wiederkehr, Dattola, McGlothlin, Richardson, B. Wiederkehr, Sennewald, Sanders, O'Sullivan, Barrett, Coach Wilson.
 ROW 3: Coach Dawley, Collar, Bertelli, Koontz, McGinnis, Barker, Campbell, Gallagher, Loser, Lung, Bishop, Holquin, Sandusky, Buscaino.
 ROW 4: Meazell, Etherton, Alderete, Genovese, Koehm, Cummings, Bolton, Freund, McPherson, Van Blaricom, Cuayer.

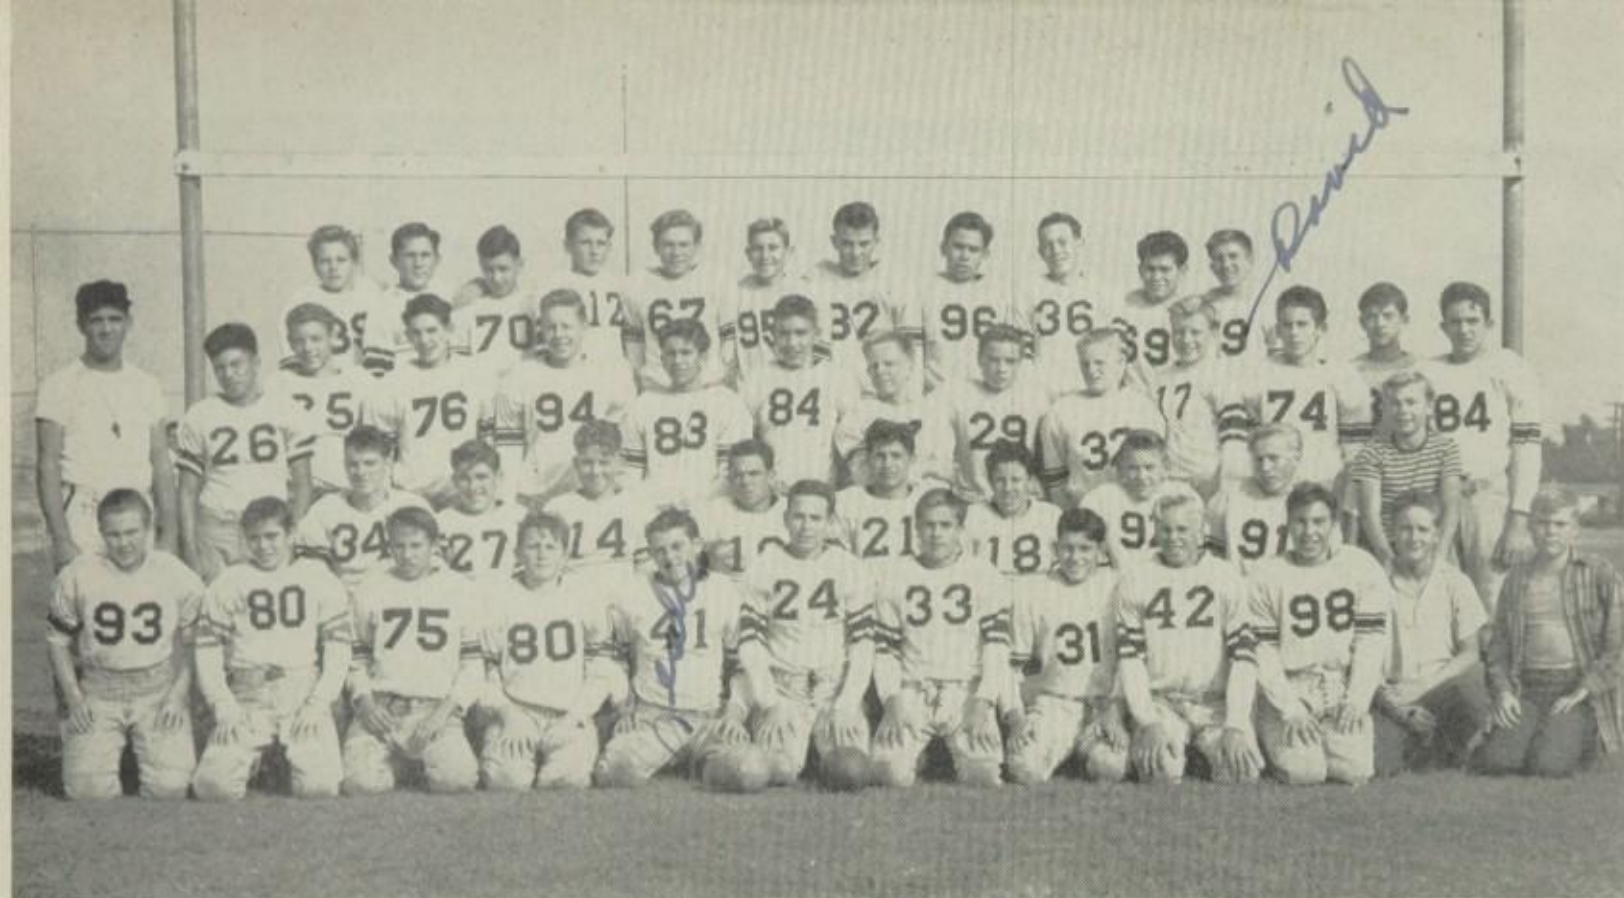

Bee Football

Sparked by the outstanding quarterbacking of Keith McGlothlin, the brilliant line play of John O'Sullivan and Gene Deyling, and the able coaching of Blynn Wilson, the Keppel middleweights wound up second best in league standings this season.

The Wilson men began by wrestling the Bruins of Long Beach Wilson and finished on the short end of a 6-2 count. Next the men from Montezuma downed the Excelsior Bee team, 14-6. For the third count of the season the Wilson troopers traveled to Whittier to cage the Red Birds, 14-12.

They next plowed under the Poly lads, 20-6. The Lions of El Monte followed and were tamed, 12-0. For the final tussle of the season the Aztecs battled the Moors to a 13-13 tie.

CEE FOOTBALL—

ROW 1: Koon Tallon, Van Vuren, McCorkle, Weaver, Shuster, Jackson, Fields, Richardson, Lewis, Long, Mgr. Guffin.

ROW 2: Stewart, Hucker, Henderson, Hadley, Dattola, Cox, Coleman, Simmons, Mgr. Bonar.

ROW 3: Coach Horst, Sandoval, Bowman, Beaman, Love, Perry, Vawter, Adams, Peters, Anderson, Rose, Adams, Fourzon, Ipsen, Gamble.

ROW 4: Duncan, McCormick, Gardner, Wick, Fish, Glick, Miller, Funaro, Grusky, Lozano, Spalenka.

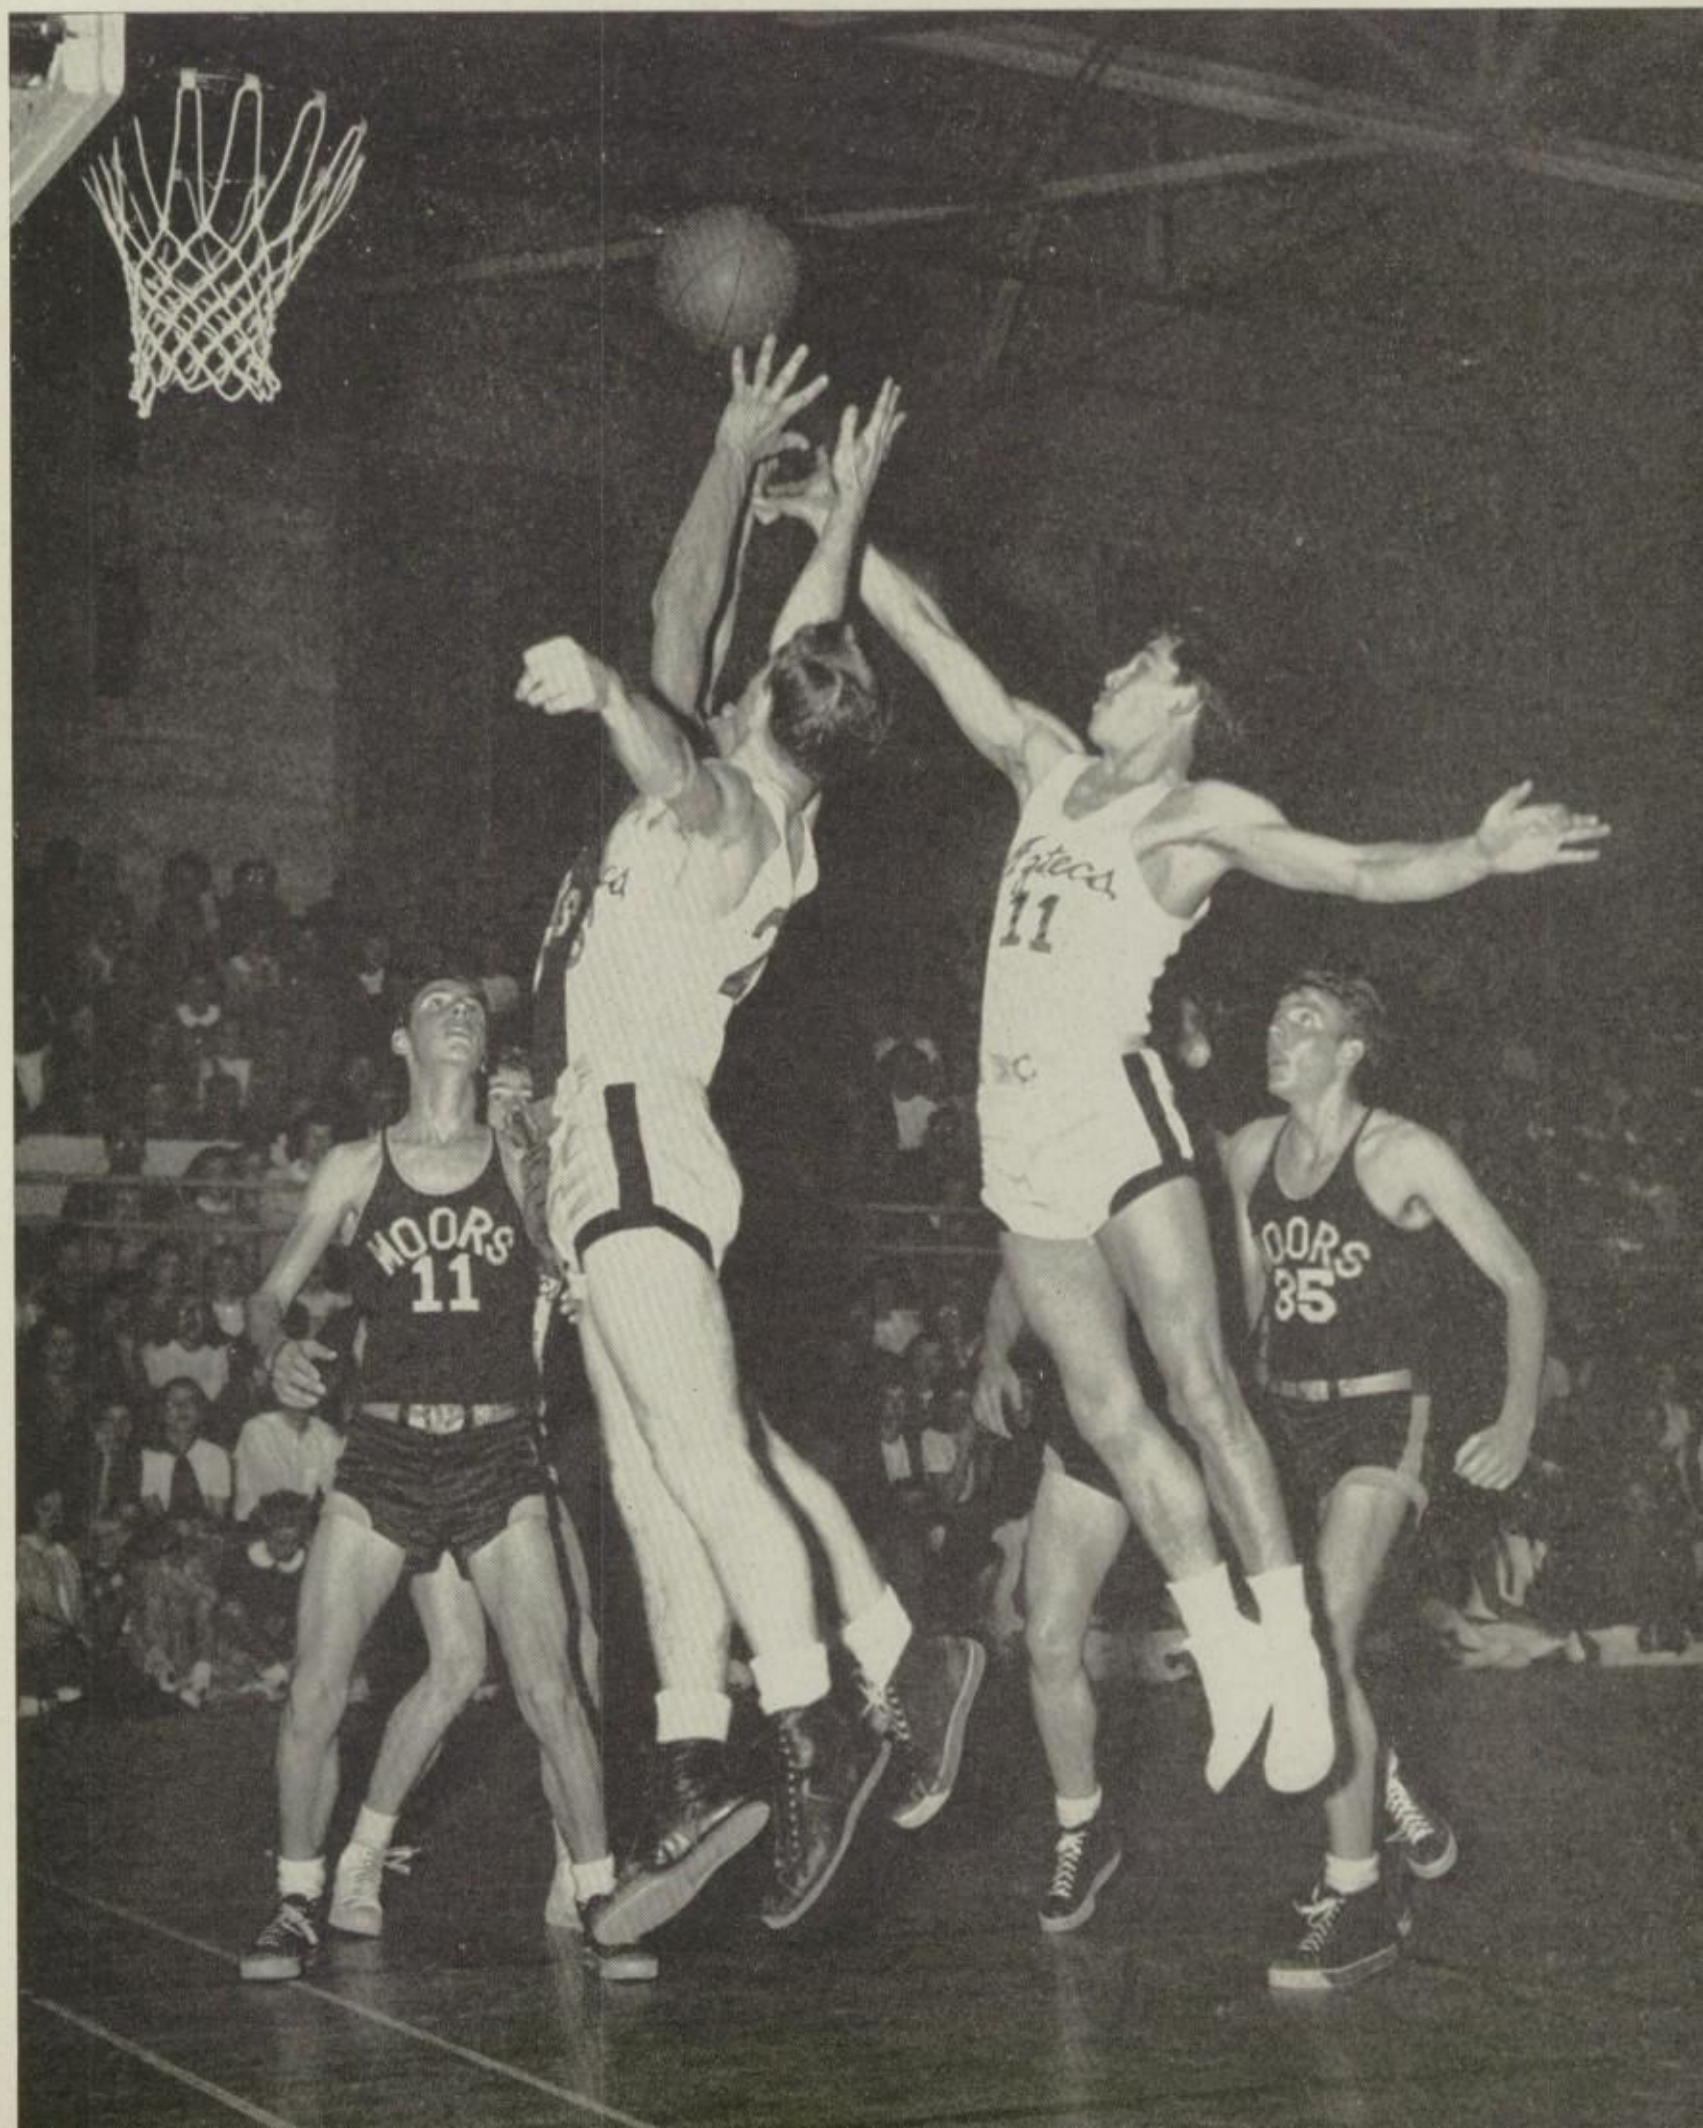

Mark Keppel's lightweight gridgers, coached by Maynard Horst, showed lots of promise in their two practice games by trimming Monrovia, 14-0, and fighting to a scoreless deadlock with Covina.

Emil "Chub" Dattola, hard-hitting fullback, was the sparkplug of the squad and was chosen captain by his teammates.

Ronnie Jackson scored both the T. D.'s against Monrovia, and Dattola went over from 15 yards out against Alhambra for the team's only other score of the season.

Darryl Hadley, Hank Bowman, and Max Fields all were outstanding throughout the season's play.

Varsity Basketball

ROW 1: Perry, Assistant Manager; Mills, Dye, Coldren, Cramer, Carman, Stuart, Arambel.
ROW 2: Loy, Bence, Coovert, Gould, McClain, Jenkins, Nelson, Mgr.

Hot and cold! That's the description of Coach Wilson's 1949 Varsity cagers as they finished in fifth spot in the Pacific League standings, compiling a record of 5 wins and 7 losses.

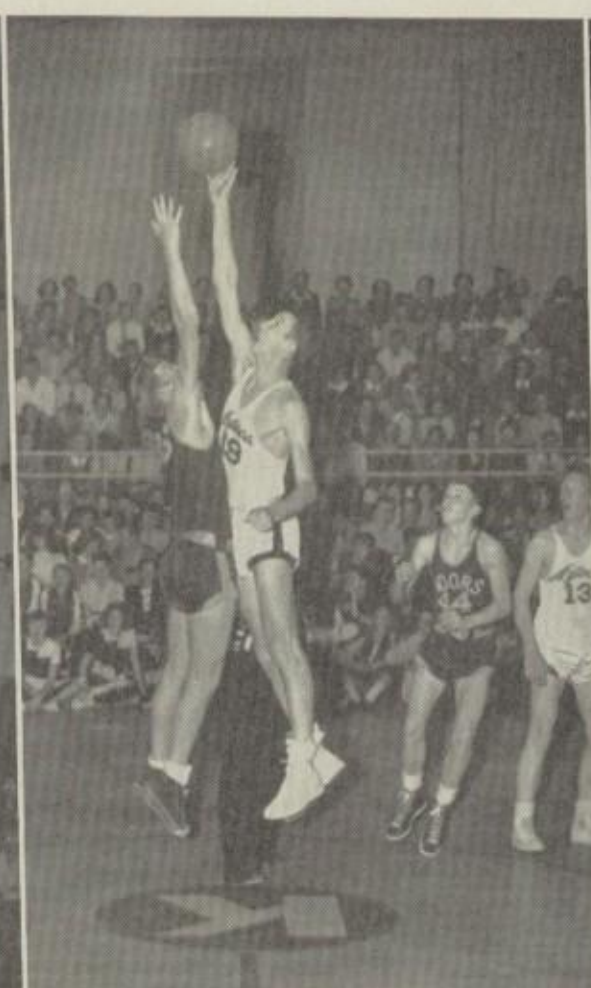

Dale Arambel, who ranked third in individual scoring in league competition with 162 points in 12 games and who played fine pressing defense, was voted most valuable player for the Aztecs. Captain Mac Cramer, who scored 139 points in league tilts, Jack Mills, and Ronnie Gould also played well during the tough campaign. Don Carman and Dean Coovert held down the guard positions on the starting team.

Arambel broke a school record by scoring 31 points in the second game with Long Beach Wilson.

The Aztec's best and most highly spirited game was the one in which they upset the heavily favored Whittier Cardinals, 44 to 36.

Coach Ed Austin's "Bee" Casaba squad finished the season with a better than average record for the entire season of 11 wins and 6 losses. They ended up second in the league behind El Monte with a record in league competition of 8 victories and 4 setbacks.

In their final game they bopped the Moor Middies 42 to 34 for their second win of the season over their cross-town rivals. In their first meeting the Alhambrans gave the Redmen a much rougher time of it, but the Aztecs finally fought to a close 43 to 41 victory in a tilt that was a thriller from start to finish and probably the best crowd pleaser of the season.

It would be difficult to single out any one star on what Austin termed "the best 'Bee' team we've ever had."

Cee Basketball

Paced by Captain Leonard Grusky, Max Schuster, and Emil "Chub" Dattola, the Keppel Cees captured second spot in the league standings by winning 6 out of the 10 league tilts.

Grusky led the team in scoring against league competition with a total of 92 points and was followed by Schuster who had 76 digits. Dattola, the stable guard, played fine defensive ball for the Keppel lightweights. Guard Darrel Hadley and Center John Coleman rounded out the starting line up.

The team was a strong contender for the league championship until the final game in which they lost to the Alhambra "Moors," winners of the title, by a narrow margin, 26 to 24.

In another thriller they also bowed to the "Moors" in the first round by almost the identical score, 27 to 24.

Dee Basketball

With hustle and drive, Coach Seixas' Dee team ended the season in second place with a splendid record of 7 wins and 3 losses, excluding practice games.

Highly responsible for the success of the feather-weights were co-captains, Bill Anson and George Dudley, and Tommy "Termite" McClelland, who scored 68, 64, and 66 points respectively in league play. After missing two games in the first round because of illness, Dudley scored 50 points in the last half of the season. Joe Kile also helped spark the team.

Their three losses were all by very narrow margins, as they lost to Whittier by one point, to El Monte by three points, and again to Whittier by three digits.

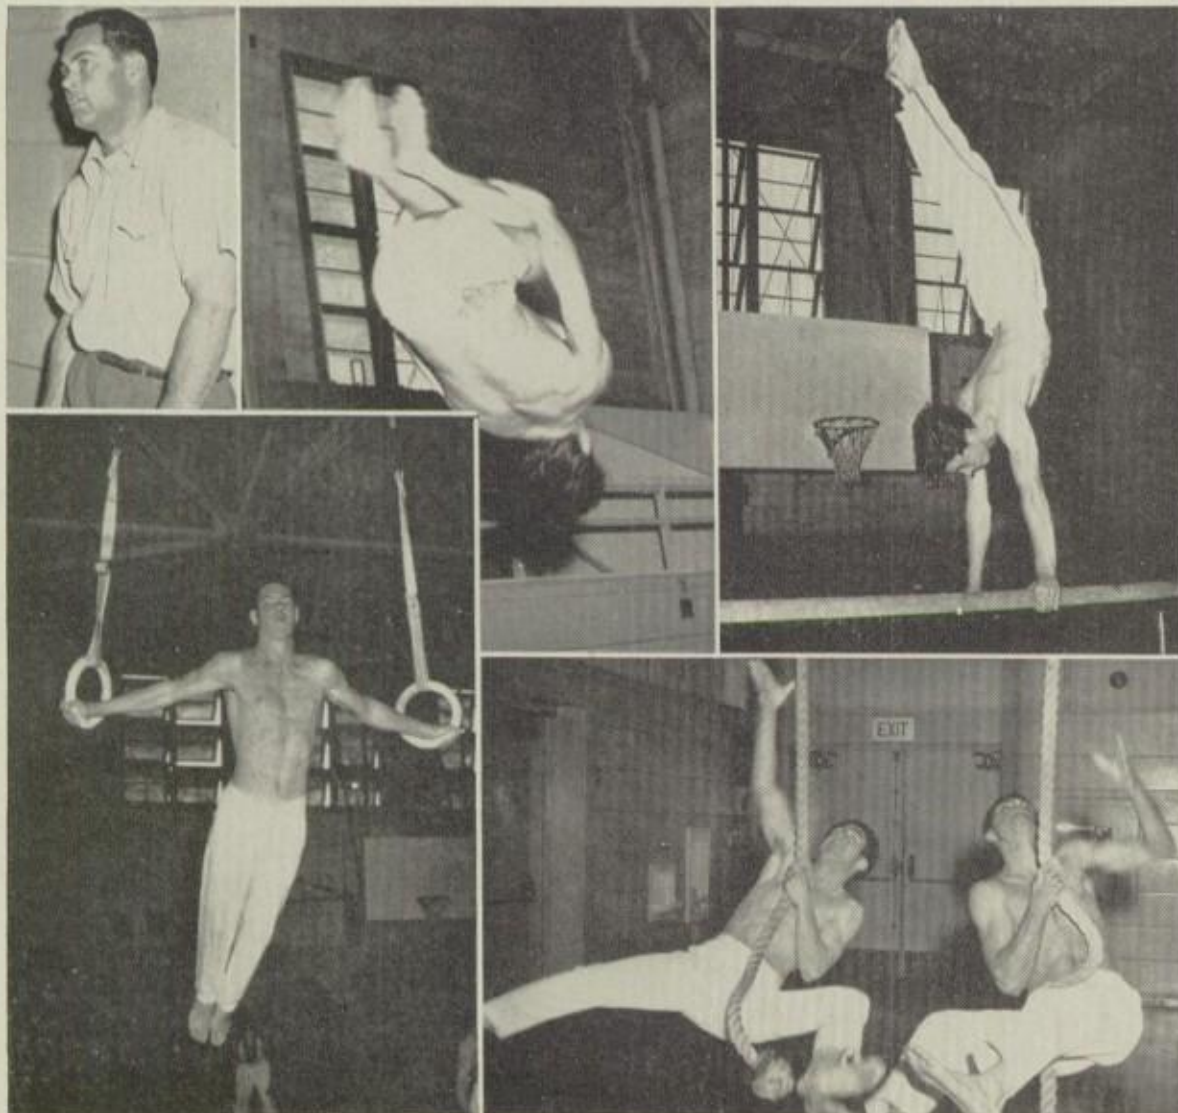

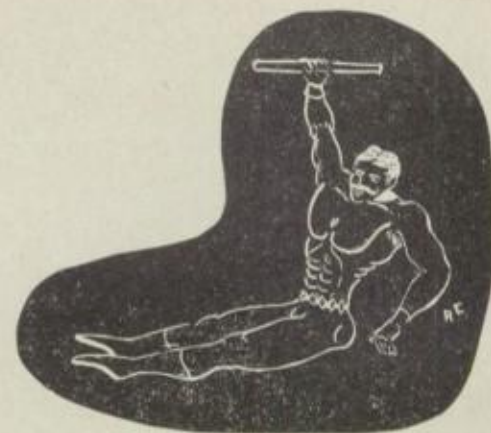

In a practice tussle they held South Pasadena to only one point to win, 23 to 1.

Varsity Baseball Coach, Bob Pursell, had a fine turnout of boys this season and one of the best teams in Keppel's history.

This year's squad of 22 men is made up mostly of seniors. Jack Coldren, John Tennyson, Mort Herrmann, Ronnie Hall, Lloyd Brown and Larry Boncristiana were back from last year's varsity; Don Jenkins, Jim Cambianica, Keith McGlothlin and Jim Blake came up from the J. V.; and Jim Brown, Jim Linville, Herm VanVuren, Allen Radar and Dick Stemen joined the team as seniors.

Don Thompson, a junior back from last year's horsehiders, has constantly been playing first class ball. Lloyd Brown and Ronnie Hall have been doing a good job of pitching.

Also on the team are Rich Dudley, Nilo Fannuchi, Bernie Buck, Stewart Rosen, Bill Breon and John Garten. Jim Chandler has ably managed the team for the last two seasons.

One of the highlights of the season was the Indians' victory over Whittier, 13-3. Pursell's diamond men pounded two Redbird pitchers for 19 hits as Herrmann, Hall, and Garten each rapped out 3 hits.

Coach Wilson received a fine turnout of players for his 1949 squad. Returning lettermen on the team were Bill Weatherill, Bud Sanderson, Phil Lucas, Al Dattola, Richard Rutledge, and George Thomas. Jim Farlow, returning squad member, was also a good prospect.

This was the first year in which the Jayvees had a regular league schedule, and at the time of this writing, the Aztecs have played only five games, winning two and dropping three.

In his first year at the helm of the Varsity cinder squad, Coach Howard Hunt has developed a championship team.

Such standouts as Bing Bordier in the hurdles and shot put, Joe Miller in the mile, Phil Umbrello in the sprints and the broad jump, Bunky Martinez in the sprints, Al Radossevich in the 880, Don McClain in the high jump, Carlos Holquin in the hurdles, Jack Sterkel and Dick Hemingway, two of the best pole vaulters in the league, gave the team strength in every event.

The toughest meet of the season was against a favored Long Beach Poly team. Bunky Martinez came across the finish line half a yard ahead of Poly's Russ Miller to put the Indians in a tie with only the pole vault remaining. Hemingway came through to win the event and give the team the victory.

Cross Country Track

ROW 1: Sid, Bangs, Banks, Old, Eberhart, Acosta.

ROW 2: Coach Hunt, Radossevich, Kaysen, Cameron, Stewart, Miller, Santos

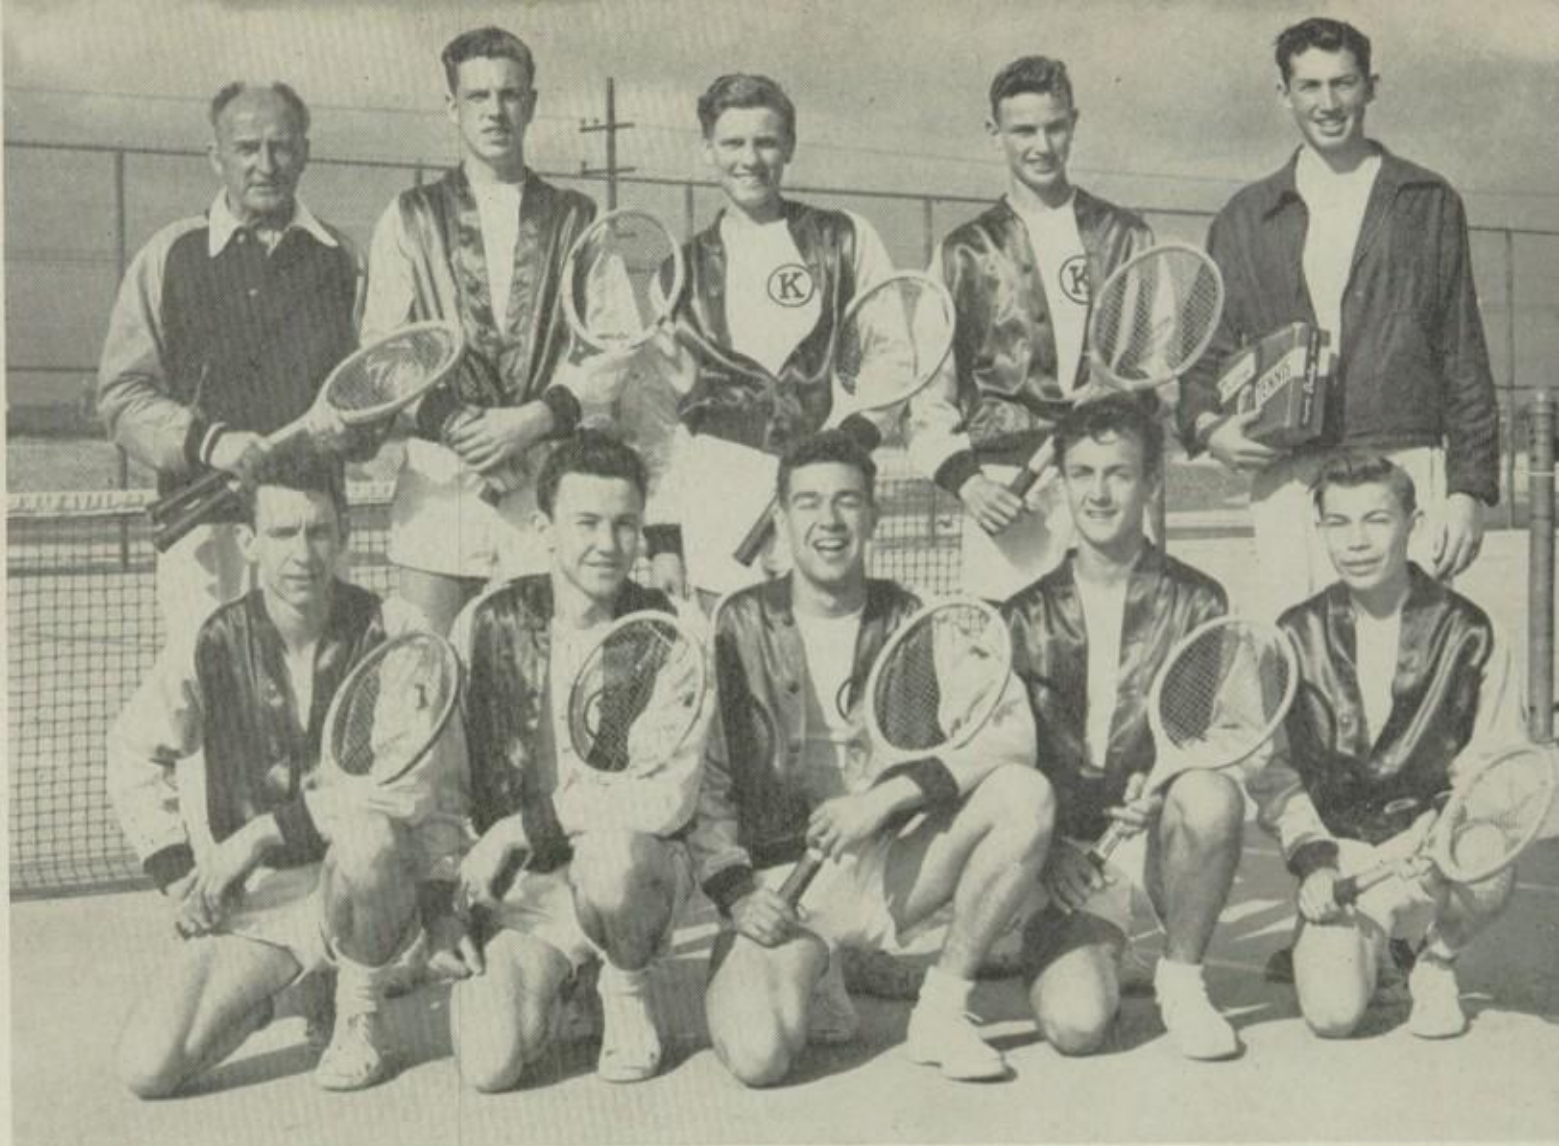

The latest squad of Maroon and White iron lungs was coached by Howard Hunt, who was taking over his first high school coaching assignment since leaving U.C.L.A. Mainstay of the 1948 team was Joe Miller, a junior with another season ahead of him. Competing for the first time this season, Miller constantly ran away from opponents and set new school records at distances between $1\frac{1}{2}$ and 2 miles.

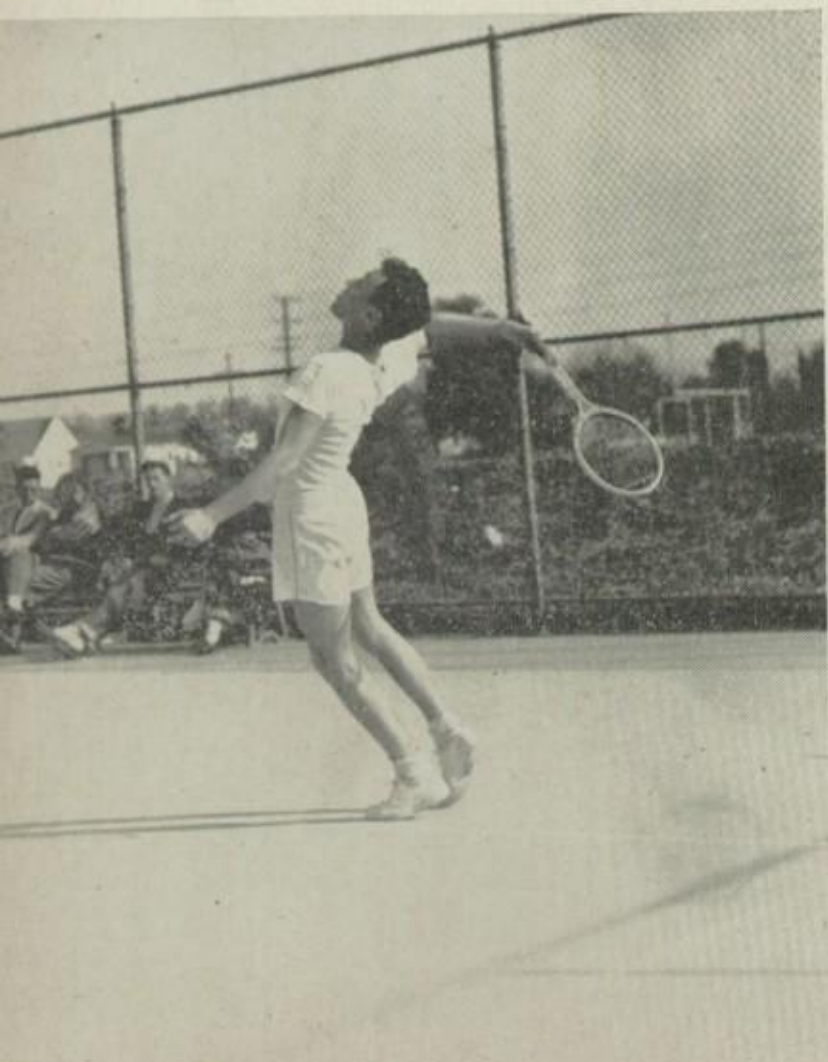

Following right on Miller's flying heels were Maurice Stewart and Allan Bangs, both in their last season of high school competition. Art Old, Bob Cameron, Ted Banks, and John Santos also competed.

The squad didn't fare as well as the previous years, finishing third in the league, but a number of new boys turned out and stronger teams seem to be in the making.

Varsity Tennis

ROW 1: Lortie, Taylor, Thompson, Dessert, Hall.
ROW 2: Coach Horne, Huff, Benstead, Flanders, Bartholomew.

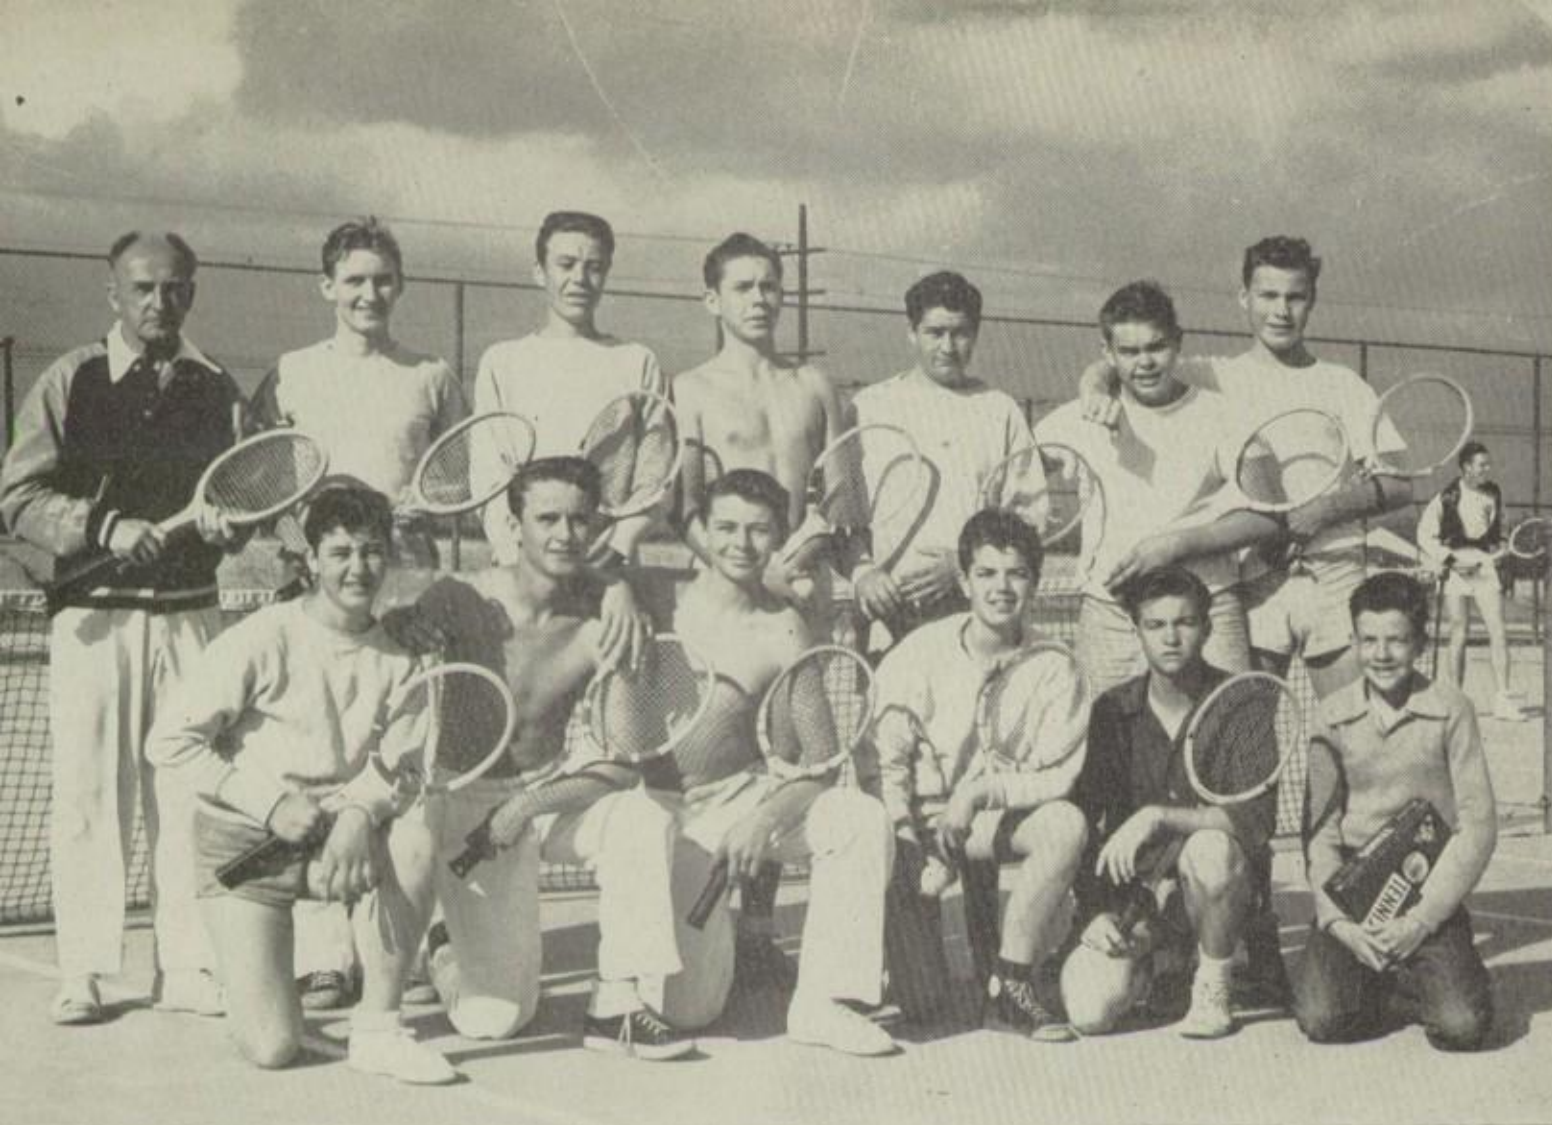

This year's Aztec Varsity Tennis team had little success in winning their practice matches early in the season, as they dropped 5 out of 7 of them. However they showed lots of promise in their first league contest against Long Beach Wilson by winning 6 to 3.

Coach Horne had only three men on his squad back from last year's varsity, Andy Lortie, first singles; Don Huff, second singles; and Harry Bursill, third singles.

Danny Hall, Gary Taylor, Bob Flanders, Don Thompson, and Phil Desert, all up from last year's J. V., comprise the rest of the team. They have made up for their inexperience with much fight, enthusiasm, and spirit which is traditional of Keppel teams.

J. V. Tennis

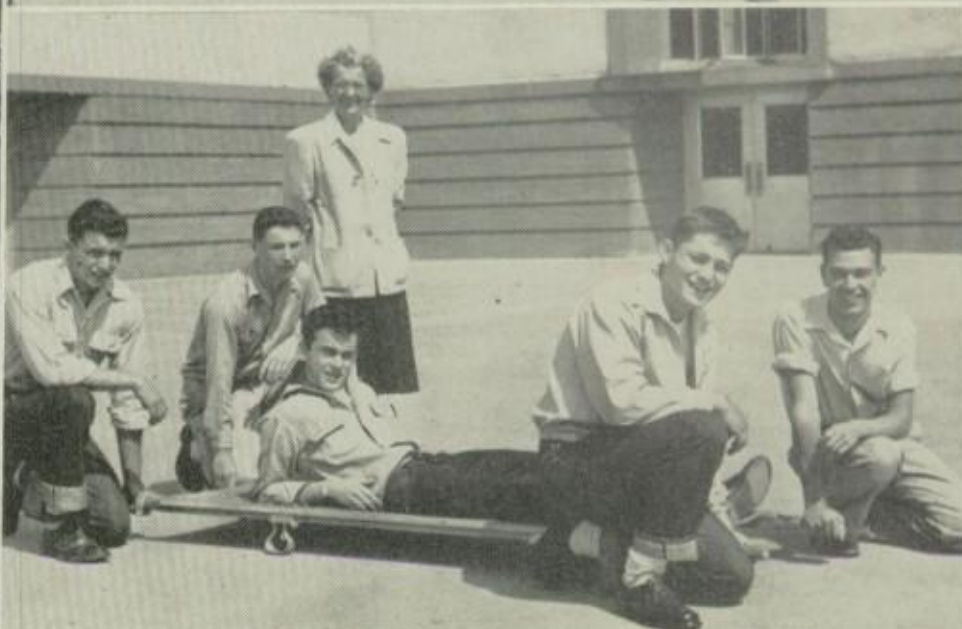

ROW 1: Massaro, Chessmore, Colver, Merritt, J. Thomas, Burbank, Mgr.
ROW 2: Coach Horne, Perry, Ens, Cunningham, E. Thomas, Loynd, Krug.

The Jayvee tennis team, piloted by Coach Horne, appeared to have good material. Although they were victims of a slow start, they were expected to show improvement. They dropped their first three matches but won the next one.

The team consisted of Jack Thomas, first singles; Dick Merritt, second singles; Jay Colver, fourth singles; Stan Chessmore, fifth singles; Mahlon Loynd and Don Krug, first doubles; and Bill Conklin and Dale Cunningham, second doubles. Their manager, Norman Burbank, did a very fine job this year.

Just Fun

With Des Kalafatis, second girl president, weilding the gavel the first semester many innovations were introduced into the school activities.

One of the most important steps taken was the revision of the school constitution.

The student body responded enthusiastically to a contest for new yells and an alma mater song.

A new idea for election campaigning was introduced which included the use of signs, speeches, campaign managers, and lapel cards. Candidates were not to exceed five dollars in expenses for publicity stunts.

Opening the social season was the traditional Halloween backward dance, "Harvest Hoedown." This was followed by many other dances, climaxed by the Junior-Senior Prom, "Moonlight and Roses," at the Pasadena Athletic Club.

Under the guidance of Jack Chandler, second semester student body president, the remainder of the year was crowded with activities.

Numerous dances and assemblies were planned and successfully managed, creating a jovial spirit which penetrated even the gloom of examinations.

A spring sports rally was held which gave the students a preview of our fine track, baseball, and pole vaulting teams.

A Club Committee, composed of a representative from each constituted club in school, was formed, and it immediately sponsored an Easter dance, the "Bunny Bounce," to raise funds for a trophy to be awarded to the club which has been of the greatest assistance to the school.

With the Junior-Senior Prom in June ended another thrilling year of activities.

Many entertaining assemblies were presented this year to an always eager student body. The first assembly was an exceptional success, acquainting the freshmen and new students with the student body officers, the band, and the Keppel regulations.

The traditional assemblies on Armistice Day, Columbus Day, Thanksgiving Day, Christmas, Lincoln's Birthday and Washington's Birthday, Easter and Memorial Day were looked forward to with justified expectations of a memorable occasion.

One of the most popular assemblies was that presented by the **Times-Mirror**. Des Kalafatis received a real thrill when she rode in a helicopter. Mr. Dean Cromwell, head Olympic coach of 1948, spoke, and then copies of the **Mirror** containing news on Keppel were given out. Another favorite of the year was those melodious music makers, the Bulldog Band of Pasadena City College.

Religious Emphasis Week was observed with an outstanding play, "Drugstore Revolution," presented by the Moral Rearmament Group through the courtesy of the Monterey Park Rotary Club. The theme of the play was that we should seek spiritual guidance and understanding in order to live more purposely and harmoniously with our families and the world.

Those responsible for these many enjoyable assemblies are our two Secretaries of Assemblies, Gerry Lamont and Adele Nassief, and their helpful assistants, who worked diligently all year.

As we glance back over the past year and note the record of the Girls' League, we find that they have had a very active and successful year. They began the year with a bang by sponsoring the traditional freshman girls' party in the cafeteria. Besides this and such other activities as the P. T. A. Thrift Shop Drive, the luggage day, and the decorating for the Annual Football Banquet, the Mark Keppel League were hostesses for the fall meeting of the eleventh district of the Girls' League. Lynne Bowers, the Secretary of Girls, presided at this meeting. Delegates from six schools attended. Keppel may well be proud of the Girls' League this year.

*The Best of

Betty*

The Girls' Athletic Association at Mark Keppel is an active organization of 95 girls.

Betty Gustafson, president, was assisted by Jolantha Botsko and Pat Wiltshire, vice presidents for the first and second semesters respectively, and Jean Landis, secretary. These officers together with the manager of each sport composed the Athletic Board.

This year the G. A. A. participated in playdays with Glendale, Monrovia, and Whittier, and sponsored one in May for Mark Keppel girls only. Truly hilarious was the annual battle with the Varsity cagers in which the boys defeated the "fairer six" by a single basket.

The G. A. A. meets four nights a week, and a girl must attend games twice a week to earn a letter. Among the games played are hockey, tennis, volleyball, basketball, softball, and badminton.

One of the main activities was the making of maroon and white pom-poms to brighten our rooting section during the football games.

Musical notes streamed down the halls of Keppel from the music classes under the supervision of the head of the department, Mrs. Ella F. Beebe.

The Freshman Girls' Glee, the Junior Girls' Glee, and the Senior Boys' and Senior Girls' Glee Clubs were all on the steps of the ladder that led to the active A Cappella Choir conducted by Mr. Arthur O. Townsend.

To give the football games and rallies that warm spirit was the Keppel Band led by Mr. Baalis Grubbs. Playing for the Christmas Concert, the Spring Concert, plays and other entertainments that gave added pleasure to the students was the Senior Orchestra also led by Mr. Grubbs.

We of the business staff wish to express our appreciation to all the merchants of the surrounding communities for their support and interest in the success of the 1949 Teocalli. The editors recommend that the students of Mark Keppel and their families patronize the business establishments of the community-minded citizens who advertise in our annual. Thus your investment will pay you dividends far in excess of its cost.

Acknowledgments

To the advisers who coaxed, prodded, and begged to complete the annual by the deadline. Without the excellent assistance and tireless effort of Mrs. Orr and Miss Clark, co-literary advisers; Mr. Smartt, business adviser; Mr. Korn, photography adviser; and Mr. Bonar and Miss Schubert, art directors; there would have been nothing.

To Mr. John F. Cannicott of the Los Angeles Engraving Company who supplied many helpful suggestions, and the Citrograph Printing Company in Redlands which gave us such splendid service.

To Mr. O. D. Smith for his fine photography.

Good luck to a
